Saint Paul, MN 55106

Minnesota

Thank you for being part of the 2025 Jackson Out of the Darkness Community walk. Because of supporters like you, we are saving lives and bringing hope to those affected by suicide.

We hope you will join us again this year on **Saturday, September 26th at Ashley Park** to walk in memory, in honor, and in support of mental health and suicide prevention. Every step helps raise awareness, fund lifesaving research, and support programs that reach people when they need it most.

Register today and invite your friends, family, and coworkers to walk with you. Together, we can create a culture that's smarter about mental health.

with hope,

Janette & Michelle, the Jackson
OOTD walk co-chairs & AFSP
Minnesota
